

**REMARKS**

Claims 10-18 are currently pending.

Applicants thank the Examiner for acknowledging the claim for foreign priority and indicating that all certified copies of the priority documents have been received.

Applicants thank the Examiner for considering the previously filed Information Disclosure Statement, PTO 1449 paper and cited references.

Applicants thank the Examiner for the courtesies extended during a telephone interview conducted on April 27, 2007 between Examiner Goudreau and Applicants' representative, Campbell C. Chiang (Reg. No. 59,518). **The Examiner stated that Applicants need not substantively respond as to the rejections of the Office Action of April 5, 2007, since the Examiner considered the wrong claims.** A Statement of Substance of Interview is included with this response.

Pursuant to the telephone interview, please find a courtesy copy of the claims previously submitted with the Preliminary Amendment of March 6, 2006. Claims 1 to 9 have been previously cancelled, so that claims 10 to 18 are now pending.

**CONCLUSION**

In view of the foregoing, all pending claims are allowable. It is therefore respectfully requested that the rejections (and any objections) be withdrawn. Prompt reconsideration and allowance of the present application are therefore respectfully requested.
